Abu Dhabi International Quality Consultancy Company Profile

About ADIQC

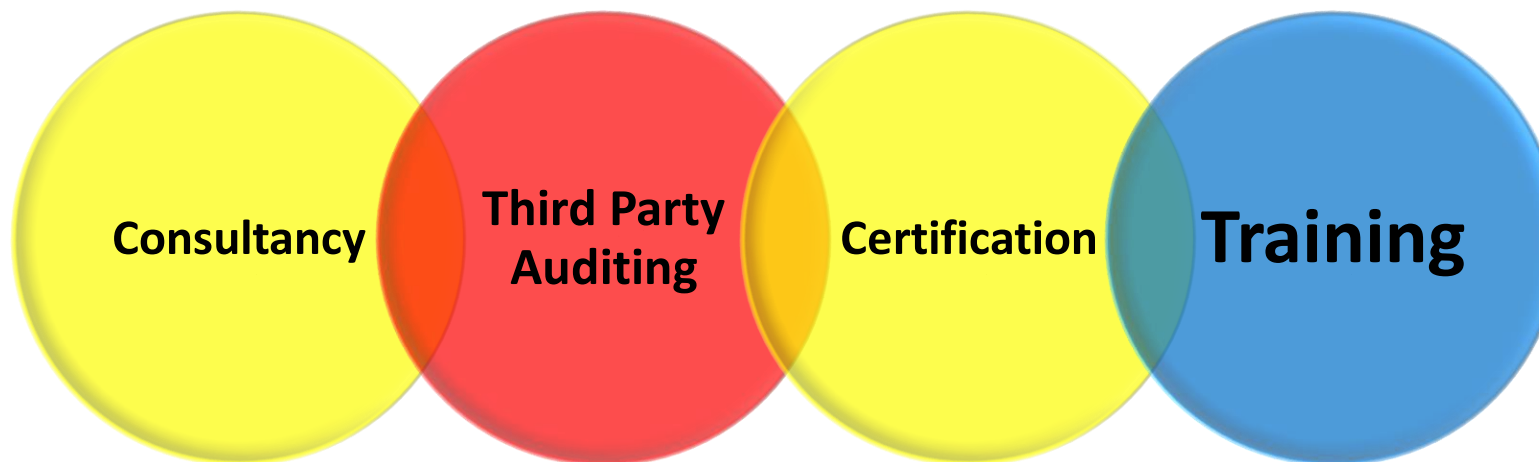

Introduction

ADIQC is one of the most competent in Quality, Health, Safety, Security and Environment (QHSSSE) consulting and training services field. Delivering top notch services to bridge the gap between the challenges faced by the client and best possible solution in a cost-effective way through international best practices. ADIQC services are grouped into four main categories:

- Consultancy
- Third Party Auditing
- Certification (Healthcare and Industrial)
- Training

We always challenge ourselves to be on top as well as acquiring an up-to-date knowledge and utilizing this to maximize the value-added services to our clients. We ensure our full commitment to our clients for the development of documentation and assistance in the implementation for National and International standards through awareness and training.

We offer innovative and holistic approach towards continuous improvement to meet the optimum level of satisfaction of our clients. We have succeeded in developing approaches and tools that identify our client's specific requirements in addressing their needs in the most effective and efficient manner.

COMPANY PROFILE

مندوق خليفة لتطوير المشاريع
Khalifa Fund for Enterprise Development

Our Vision

To be recognized by our customers as pioneer in leading Quality Management development initiatives and turnkey consultancy services.
To be the leader in the market for our services.

Our Mission

For Quality to be the number one priority for organizations, and to assist and guide our customers to achieve national and international recognitions by establishing and implementing Quality Management Systems (QMS) and providing series of Trainings.

Our Values

Honesty  We act and speak with good faith, honesty and fairness.	Dedication  We work passionately in order to achieve our mission and vision.	Respect  We value everyone through demonstration of sensitivity to individual and organizational culture diversity.	Creativity  We always strive to provide creative and innovative solutions to our client's needs.	Partnership  We promote TEAM approach (Together Each Achieve More).
---	---	---	---	--

Our Quality Policy

We practice active listening to our clients to be able to understand, meet and exceed their needs and expectations. Our highly competent and dedicated staff are keen to provide timely, accurate and efficient output.

We always strive to be the best and most competent in our field of service.

We always work hard to improve our services, procedures and processes.

We make sure that our decisions are being guided by facts and evidence-based practices.

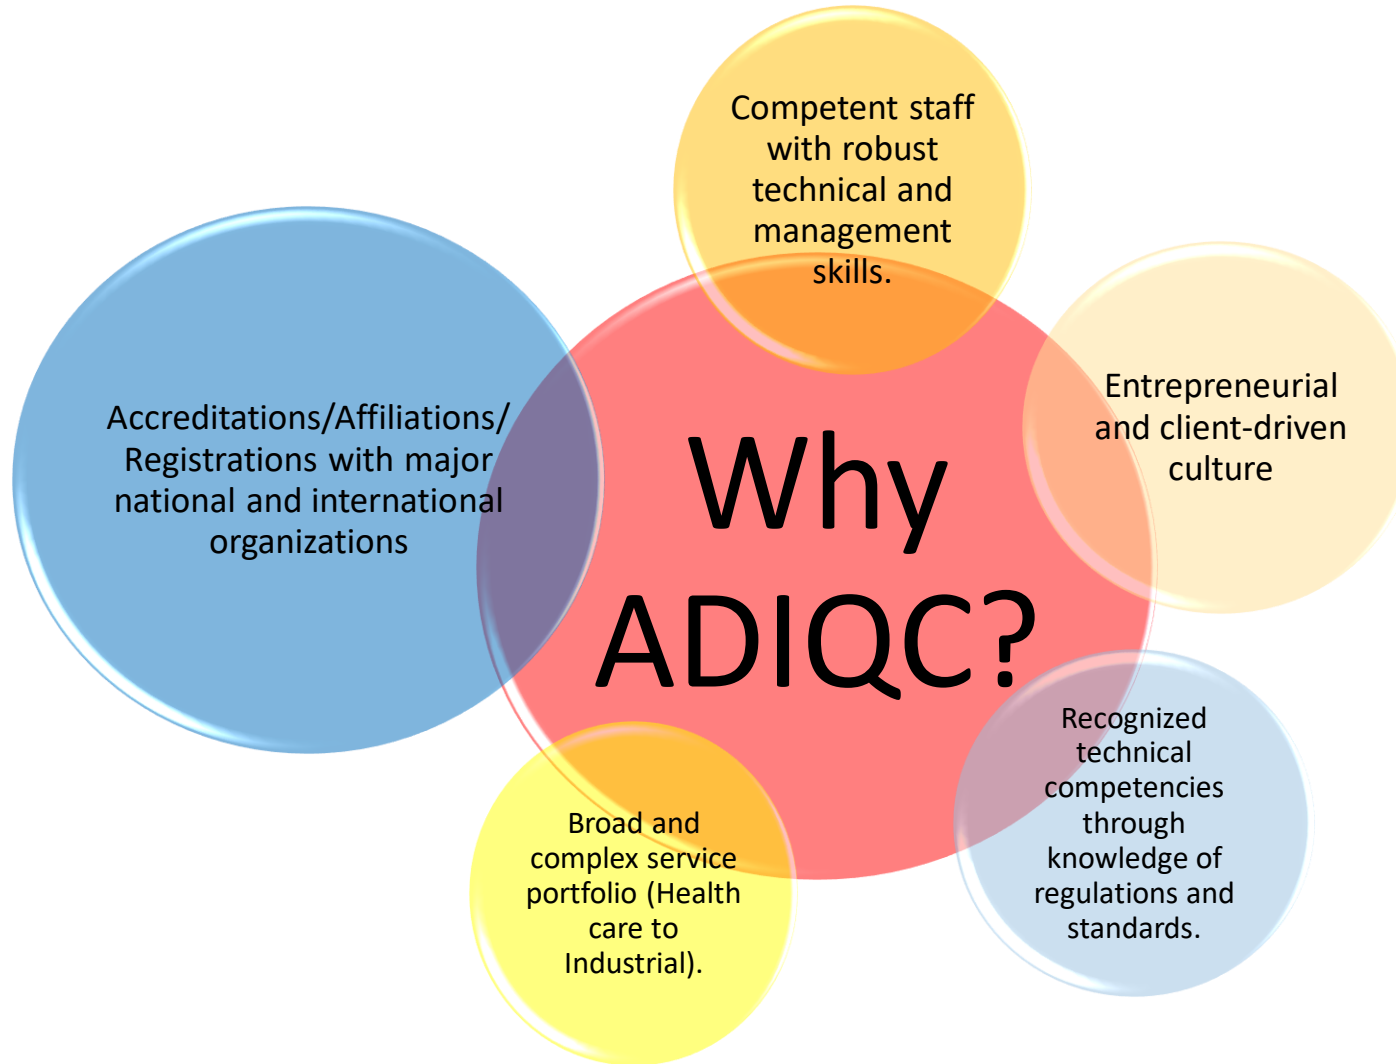

Our team take pride in what they do. Their participation matters through soliciting their ideas, suggestions and feedback. We address their concerns appropriately and efficiently.

In the event if one of our clients has a complaint regarding our service/s or our action/s. We will address it accordingly and resolve it in the best possible manner.

We make sure that our clients are always informed regarding the progress of the project.

Complying with all the applicable requirements including the legal documents.

We set quality objectives for performance and methodology improvement.
